Workshop Highlights...

W

ant to engage students? Want to raise test scores? (NAPLAN) Want teacher-friendly strategies to implement tomorrow? This workshop is for you! You'll experience cutting edge teaching structures to create classroom success now and forever! In addition, you'll learn management tips, how to form effective teams, strategies for creating a cooperative class through teambuilding and classbuilding, and why cooperative learning produces gains when group work often fails. Finally, a class that has practical, hands-on ideas grounded in sound research and theory.

Structures for Success

- Save valuable time and energy with easy-to-use structures that make lesson planning more effective
- Engage all students throughout each lesson with new cooperative learning structures
- Lessen your load, make teaching easier, and boost students' test scores!

Manage Your Class for Success

- Learn classroom management tips
- Develop effective student teams
- Increase learning and decrease discipline problems
- Arrange your classroom for success
- Keep students on task, develop social skills and effectively manage disruptions with engaging structures

- *Kagan is by far the most effective professional development I have experienced. There are many well documented and researched academic and psychological benefits to Kagan Cooperative Learning.* Shona, Principal NT
- *I was inspired after attending the summer workshop CL Days 1-3 in Perth I am amazed every day when I see how much the structures have done to improve thinking, talking and community in my classroom!* Sarah, Y4 teacher NSW
- *What a fantastically successful two days of professional learning we had! It would have to be, without a shadow of a doubt, the most effective professional learning I have ever done. There is a real buzz happening here and all teachers have implemented the structures in their classes already. Teams happening!!! Kids highly engaged!! It is awesome!* Jack B, Principal WA
- *When I see the traditional teaching I want to cry! KAGAN is a MUST for every teacher* Jemma, Upper Primary NT
- *What inspired me to use Kagan structures is that they work! I have been teaching 20years and the structures have just added a new dimension to what I already do - learning is fun and my job is easier!* Stewart, K/1 ACT
- *Being introduced to Kagan Cooperative Learning and integrating it into my teaching practice has revolutionised everything I do in the classroom. I firmly believe that I am a far more effective teacher than ever before and the enjoyment my students and I experience by using Kagan in the classroom is immeasurable* Peter, AP, NSW
Winner Australian Quality Teachers Award
