- Kagan has revolutionised my teaching after 20 years and invigorated me personally Julie, Yr2 teacher, ACT
- Fantastic – take it back and use it immediately. Excellent resources, action packed activities. Great to see presenters 'use' brain research and not just talk about it. Alison, high school teacher, WA
- We had a great time! It is fantastic to see it working in our classrooms! I can highly recommend the training and feel that all teachers should have to do it! Practical, sensible, easy to implement and fun! Cathie E, Principal, NSW
- Excellent, wonderful connection to the curriculum. This is exactly what my school needs to improve our numeracy/literacy results. Thank you for an amazing day!!! Leslie, DP, WA
